MODEL - ART-SB-7W

SunLite 7 7W-5V Solar Panel

FEATURES

- 7W Dual Monocrystalline Solar Panels
- Smart Battery Management System (BMS)
- Over-Temperature Protection
- Weather Resistant Design
- Battery Short Circuit/Reverse Polarity Protection
- Suitable for CCTV and IoT Applications

7W Solar Panel | Li-ion Battery | Ip65 Rating | Do It Yourself | Smart Battery Management

Technical Specifications

Solar Panel	
Product Code	ART3003
Product Type	7W-5V Solar Panel
Brand	Juan
Model	7W5V
Open-Circuit Voltage	8.7
Short-Circuit Current (mA)	1760
Working voltage (V)	6
Working Current (mA)	1170
Ultimate Output (W)	7
Maximum Power Voltage (V)	5.2
Maximum Power Current (A)	1.4
Material thickness (mm)	3.0±0.3
Material	ABS
Transfer effciency (%)	22
Backboard color	Black
Waterproof rating	IP65
Solar Panel Size (mm)	260*170
Product thickness(mm)	0.1 ± 0.3
Encapsulation (Substrate Material)	Glass+EVA laminated packaging+single crystal battery cells+PET
Solar panel Size (Length *Width *Thickness)	260*170*3mm
Overall dimension(mm)	265*175*11

Overall Weight (Kg)	0.500
Output Cable Size & type	C-type 3Meter
Stand Material	MetalV
